

**Further Mathematics Support Programme**

**Live Interactive Lectures for Further Mathematics**

**AQA FP2**

**2016-2017**

28/09/2016	FP2-1	Complex numbers 1: Introduction
12/10/2016	FP2-2	Complex numbers 2: The polar form of complex numbers
02/11/2016	FP2-3	Complex numbers 3: The Argand diagram
16/11/2016	FP2-4	Roots of equations 1: Introduction
30/11/2016	FP2-5	Roots of equations 2: Forming equations
14/12/2016	FP2-6	Series and induction 1: The method of differences
11/01/2017	FP2-7	Series and induction 2: Proof by induction
25/01/2017	FP2-8	Further complex numbers 1: De Moivre's theorem
08/02/2017	FP2-9	Further complex numbers 2: Complex roots
01/03/2017	FP2-10	Inverse trigonometric functions
15/03/2017	FP2-11	Hyperbolic functions
29/03/2017	FP2-12	Arc length and surface area

**Lectures will take place from 6:30pm to 7:30pm**
