AQA FP3

2016-2017

29/09/2016	FP3-1	Series and limits 1: Maclaurin series
13/10/2016	FP3-2	Series and limits 2: Series and improper integrals
03/11/2016	FP3-3	Polar coordinates 1: Polar coordinates and curves
17/11/2016	FP3-4	Polar coordinates 2: Area bounded by a polar curve
01/12/2016	FP3-5	Differential equations 1: Integrating factors
15/12/2016	FP3-6	Differential equations 2: Complementary functions
19/01/2017	FP3-7	Differential equations 3: Non-linear differential equations
02/02/2017	FP3-8	Numerical methods
23/02/2017	FP3-9	Second order differential equations 1: Introduction
09/03/2017	FP3-10	Second order differential equations 2: Further equations
23/03/2017	FP3-11	Revision and consolidation
06/04/2017	FP3-12	Revision and consolidation

Lectures will take place from 6:30pm to 7:30pm
