

Further Mathematics Support Programme**Live Interactive Lectures for Further Mathematics****AQA FP3****2017-2018**

28/09/2017	FP3-1	Series and limits 1: Maclaurin series
12/10/2017	FP3-2	Series and limits 2: Series and improper integrals
02/11/2017	FP3-3	Polar coordinates 1: Polar coordinates and curves
16/11/2017	FP3-4	Polar coordinates 2: Area bounded by a polar curve
30/11/2017	FP3-5	Differential equations 1: Integrating factors
14/12/2017	FP3-6	Differential equations 2: Complementary functions
11/01/2018	FP3-7	Differential equations 3: Non-linear differential equations
25/01/2018	FP3-8	Numerical methods
08/02/2018	FP3-9	Second order differential equations 1: Introduction
01/03/2018	FP3-10	Second order differential equations 2: Further equations
15/03/2018	FP3-11	Revision and consolidation
29/03/2018	FP3-12	Revision and consolidation

Lectures will take place from 6:30pm to 7:30pm
