

Further Mathematics Support Programme

Live Interactive Lectures for Further Mathematics

**Edexcel S2
Autumn**

2017-2018

20/09/2017	S2-1	Discrete distributions 1: Binomial distribution
04/10/2017	S2-2	Discrete distributions 2: Poisson distribution
18/10/2017	S2-3	Discrete distributions 3: Poisson approximations
08/11/2017	S2-4	Continuous random variables
22/11/2017	S2-5	Continuous distributions
13/12/2017	S2-6	Sampling and Hypothesis tests 1: Intro
03/01/2018	S2-7	Sampling and Hypothesis tests 2: Significance levels and critical regions

Lectures take place from 5:00pm to 6:00pm
