

<p>The design has three colours</p>	<p>The design has 4 lines of reflection symmetry</p>	<p>The ratio of blue to yellow squares is 4:7</p>	<p>Blue squares are arranged in horizontal and vertical (but not diagonal) lines of 4</p>	<p>Not all of the squares are coloured (some are blank)</p>
<p>The top left hand corner square of the design is blank</p>	<p>The ratio of blank squares to coloured squares is 3:13</p>	<p>There are 4 yellow squares (arranged in a square) in the middle of the design</p>	<p>There are 52 coloured squares in the design</p>	<p>There are six yellow squares along each diagonal of the design</p> 
<p>The design is made up of 64 blank and coloured squares arranged in a square</p>	<p>The ratio of red to yellow squares is 2:7</p>	<p>The design has rotation symmetry of order 4</p>	<p>The ratio of red squares to blue squares in 1:2</p>	<p>There are eight more blue squares than red squares</p>
<p>There are only two red squares in the bottom right quarter of the design</p> 	<p>There are 12 blank squares in the design</p>	<p>The top row has only yellow and blank squares</p>	<p>There are 3 blank squares in each corner of the design</p>	<p>There are 4 yellow squares next to each other in the top row of the design</p>
