

Further Mathematics Support Programme

Live Interactive Lectures for Further Mathematics

OCR D1

2016-2017

29/09/2016	D1-1	Algorithms: Sorting, packing and other algorithms
13/10/2016	D1-2	Graphs: Definition and problem solving
03/11/2016	D1-3	Networks 1: Minimal spanning trees and shortest paths
17/11/2016	D1-4	Networks 2: Route inspection
01/12/2016	D1-5	Networks 3: The travelling salesperson
15/12/2016	D1-6	Linear programming 1: Formulating and solving graphically
12/01/2017	D1-7	Linear programming 2: Simplex algorithm

Lectures will take place from 8:00pm to 9:00pm
