

Further Mathematics Support Programme**Live Interactive Lectures for Further Mathematics****OCR S1****2016-2017**

27/09/2016	S1-1	Working with data 1: Representing data
11/10/2016	S1-2	Working with data 2: Measures of location and spread
01/11/2016	S1-3	Probability 1: Introduction
15/11/2016	S1-4	Probability 2: Arrangements and selection
29/11/2016	S1-5	Probability distributions 1: Introduction and binomial
13/12/2016	S1-6	Probability distributions 2: Geometric, expectation and variance
10/01/2017	S1-7	Correlation and regression

Lectures take place from 6:30pm to 7:30pm
