

Further Mathematics Support Programme

Live Interactive Lectures for Further Mathematics

Edexcel S1

2016-2017

| | | |
|------------|------|--|
| 28/09/2016 | S1-1 | Working with data |
| 12/10/2016 | S1-2 | Probability 1: Introduction |
| 02/11/2016 | S1-3 | Probability 2: Independent and mutually exclusive events |
| 16/11/2016 | S1-4 | Discrete random variables 1: Introduction |
| 30/11/2016 | S1-5 | Discrete random variables 2: Functions of random variables |
| 14/12/2016 | S1-6 | Correlation and regression |
| 11/01/2017 | S1-7 | The normal distribution |

Lectures will take place from 6:30pm to 7:30pm
