

Further Mathematics Support Programme**Live Interactive Lectures for Further Mathematics****Edexcel S2****2016-2017**

10/01/2017	S2-1	Discrete distributions 1: Binomial distribution
24/01/2017	S2-2	Discrete distributions 2: Poisson distribution
07/02/2017	S2-3	Discrete distributions 3: Poisson approximations
21/02/2017	S2-4	Continuous random variables
07/03/2017	S2-5	Continuous distributions
21/03/2017	S2-6	Sampling and Hypothesis tests 1: Intro
04/04/2017	S2-7	Sampling and Hypothesis tests 2: Significance levels and critical regions

Lectures take place from 5:00pm to 6:00pm
