

## The Further Mathematics Support Programme

### Undergraduate degree courses which require or prefer A level Further Mathematics (for 2018 entry)

<b>Courses where Further Mathematics is required</b>		
<b>University</b>	<b>Course</b>	<b>Notes</b>
University of Cambridge	Engineering	Strongly encouraged and required by some colleges
University of Cambridge	Chemical Engineering	Required by some colleges
University of Cambridge	Mathematics	
Durham University	Mathematics	
University of Edinburgh	Computer Science	Required for entry to Year 2
University of Edinburgh	Mathematics	Recommended for Year 1 entry; required for Year 2 entry
Imperial College, London	Mathematics	
King's College London	Mathematics	
University of Nottingham	Mathematics	May form part of an offer
University of St Andrews	Mathematics	Required for entry to Year 2
UCL	Mathematics	
University of Warwick	Mathematics	

<b>Courses where Further Mathematics is recommended, preferred or otherwise encouraged</b>		
<b>University</b>	<b>Course</b>	<b>Notes</b>
University of Bath	Aeronautical Engineering	
University of Bath	Chemical Engineering	
University of Bath	Mathematics	Differentiated grade offer if Further Mathematics is included
University of Birmingham	Mechanical Engineering	
University of Bristol	Mathematics	Differentiated grade offer if Further Mathematics is included
University of Cambridge	Computer Science	For 2019 entry, A Level Further Mathematics will be an essential entry requirement for Computer Science with Mathematics for students taking A Levels

<b>Courses where Further Mathematics is recommended, preferred or otherwise encouraged</b>		
<b>University</b>	<b>Course</b>	<b>Notes</b>
University of Edinburgh	Chemical Engineering	Lower offer of AAA for Year 2 entry if FM included
Imperial College, London	Aeronautical Engineering	
Imperial College, London	Computer Science	
Imperial College, London	Electrical Engineering	
Lancaster University	Mathematics	Differentiated grade offer if Further Mathematics is included
University of Leeds	Mathematics	Differentiated grade offer if Further Mathematics is included
University of Liverpool	Aeronautical Engineering	
University of Liverpool	Mechanical Engineering	
London School of Economics	Economics	Desirable (4 <sup>th</sup> subject only)
University of Manchester	Electrical Engineering	
University of Manchester	Mathematics	Likely differentiated offer
Oxford University	Computer Science	
Oxford University	Engineering	
Oxford University	Mathematics	Highly recommended. Differentiated grade offer if Further Mathematics is included
University of Reading	Mathematics	Differentiated grade offer if Further Mathematics is included
Royal Holloway, University of London	Mathematics	Differentiated grade offer if Further Mathematics is included
University of Surrey	Mathematics	Differentiated grade offer if Further Mathematics is included
UCL	Electrical Engineering	
UCL	Mechanical Engineering	
University of York	Mathematics	Differentiated grade offer if Further Mathematics is included

In addition there are many other courses which mention Further Mathematics in a list of preferred subjects.

*Analysis conducted August - September 2017*
