**Don't miss our  
future meetings**

Meetings for 2017-18 tbc  
but please email Alison to  
ensure that you are  
included in the mailing list

# Peterborough Network of Maths Teachers

## A Level Network

**Over the coming academic year:**

We will continue to look at A level exam boards, resources, specifications and how we can support each other in the transition to the new A level for teaching in September 2017.

**Questions such as these will be considered:**

- What does a 'linear' qualification mean for maths?
- What changes will there be to mathematical content?
- What are the implications for teaching, planning, development, resourcing?

**Free professional development and the chance to meet other teachers in the area.**

This session is free thanks to funding from the FMSP. Light refreshments will be provided.

**For further information, to be added to the mailing list or if you plan to attend the next meeting:**

**Alison Brown**  
[abrown@arthurmellows.org](mailto:abrown@arthurmellows.org)

The PNMT A Level Network is an FMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. For further information about the work of the FMSP in the area, please contact:
