Statistics in the 2017 Mathematics A level: Working with the large dataset

At this meeting:

Jo Sibley (FMSP) will lead a session looking the new requirements for teaching statistics in the new A level Mathematics, with a particular focus on the large data set; how to introduce it and how to use technology to manage it.

This session is free thanks to funding from the FMSP. Light refreshments will be provided.

The Dorset and Somerset Mathematics Teacher Networks are part of an FMSP-funded project allowing teachers of mathematics to meet, collaborate and share professional development. We meet three to four times per year and the programme is a mixture of informal sessions and speaker-led training events. Future dates and content will be posted on the FMSP SW CPD page here:

www.furthermaths.org.uk/SW_CPD.

If you wish to request a particular topic for a network session or to offer to present at one of the meetings, please contact Jo.
