College, Bridgwater.

For dates see the FMSP
SW CPD page.

Bridport Mathematics Teacher Network

**Making a smooth start on A level
Mathematics: 6Concepts 'bring a thing'**

At this meeting:

If you could be confident that your new Year 12 Maths students all had fully confident understanding of just six key concepts from GCSE, what would those concepts be?

This is a sharing session where teachers are encouraged to bring an idea, a resource, a question or a challenge or just to attend and share in the discussion.

This session is free thanks to funding from the FMSP. Light refreshments will be provided.

For more information please contact:

Jo Sibley
josibley@furthermaths.org.uk

To confirm attendance please complete this form:

The Dorset and Somerset Mathematics Teacher Networks are part of an FMSP-funded project allowing teachers of mathematics to meet, collaborate and share professional development. We meet three to four times per year and the programme is a mixture of informal sessions and speaker-led training events. Future dates and content will be posted on the FMSP SW CPD page here:

www.furthermaths.org.uk/SW_CPD.

If you wish to request a particular topic for a network session or to offer to present at one of the meetings, please contact Jo.
