**Don't miss our
future meetings**

Meetings for 2017-2018 will be taking place, but dates have still to be decided.

If there are specific topics that you would like to consider at these meetings, please contact me at margaretharding@furthermaths.org.uk

Plymouth Teachers' network meeting

Preparing for the New Mathematics A Levels from 2017 with a focus on Mechanics

At this meeting:

Ted Graham (FMSP) will lead a session looking at what is known so far about the changes to the Mathematics A levels with a focus on Mechanics and how this will impact on schools.

These questions will be considered:

- What "new" Mechanics will there be in the specifications?
- What are the implications for teaching, planning, development, resourcing?
- How can technology/practical apparatus be used in the classroom?

This session is free thanks to funding from the FMSP. Light refreshments will be provided.

For more information please contact: Margaret Harding

margaretharding@furthermaths.org.uk

The Plymouth Mathematics Teacher Network is an FMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. We meet termly and the programme is a mixture of informal sessions and speaker-led training events. If there is any specific area of mathematics that you would like to be raised at the one of the meetings please get in touch.
