The Dorset and Somerset Mathematics Teacher Networks are part of an FMSP-funded project allowing teachers of mathematics to meet, collaborate and share professional development. We meet three to four times per year and the programme is a mixture of informal sessions and speaker-led training events. Future dates and content will be posted on the FMSP SW CPD page here:

[www.furthermaths.org.uk/SW\\_CPD](http://www.furthermaths.org.uk/SW_CPD).

If you wish to request a particular topic for a network session or to offer to present at one of the meetings, please contact Jo.
