Bridgwater Mathematics Teacher Network

Planning a linear scheme of work for your school/college

At this meeting:

Ione Crossley will lead a session looking at how to plan a flexible scheme of work for your unique combination of students, staff and timetable, in order to optimise the pathways available for A level Maths and Further Maths students. The free online Course Planner will be demonstrated. This session is free thanks to funding from the FMSP. Light refreshments will be provided.

For more information please contact:

Jo Sibley

The Dorset and Somerset Mathematics Teacher Networks are part of an FMSP-funded project allowing teachers of mathematics to meet, collaborate and share professional development. We meet three to four times per year and the programme is a mixture of informal sessions and speaker-led training events. Future dates and content will be posted on the FMSP SW CPD page here: www.furthermaths.org.uk/SW_CPD.

If you wish to request a particular topic for a network session or to offer to present at one of the meetings, please contact Jo.
