

The Further Mathematics Support Programme

6th Form Problem Solving Course

This is a 6 week course for Yr 12 students who wish to improve their problem solving skills. It is useful for all students but particularly so for those wishing to take STEP/AEA/MAT papers next year.

Hosted at Worksop College, Sparken Hill, Worksop S80 3AP

Course dates are below:

16th January

23rd January

30th January

6th February

20th February

27th February

All lessons run from 4 – 6 pm

This event is free although places are limited. For further information, please contact Alan Barker at
