

The Further Mathematics Support Programme
Mathematical Institute, University of Oxford

Girls' Conference x 2

Inspiring girls to continue with mathematics

Workshops and short talks; Fun Maths Roadshow; Mathemagicians

Mathematical Institute, Oxford University

Monday 27th March 2017, 10.00am – 3.45pm

Wednesday 29th March 2017, 10.00am – 3.45pm

This day is aimed at girls in year 9 who are potential A level students but who may not be considering Mathematics and Further Mathematics because of lack of interest or confidence.

Due to unprecedented demand, we are offering two days this year so that we can accommodate more girls! The days will be basically the same as each other.

The day is **free**, but schools are required to pay a deposit of £100, which is returnable if the school attends the event. The event is *initially* limited to 15 students per school, although additional places may become available after the deadline.

Students and teachers should provide their own lunch, but light refreshments will be provided mid-morning and mid-afternoon.

To book places for your class, complete the Google form here:

<https://goo.gl/forms/zuCQAbMYqUEPCOat2>

and send deposit by cheque payable to 'The Mathematical Institute, Oxford University' to Nia Roderick, Mathematical Institute, University of Oxford, Radcliffe Observatory Quarter, Woodstock Road, Oxford, OX2 6GG

Please write your school name and 'Girls' Conference' on the reverse of the cheque

If you have any queries, please contact Alexandra Hewitt (alexandrahewitt@furthermaths.org.uk).

Deadline for payment of deposit: **Friday 24th February 2017**

Please note that places will be re-allocated to schools on the reserve list if deposit cheques are not received within 3 weeks of booking.
