Edgbarrow KS5 Mathematics Network

Mechanics in the New Mathematics A Levels from 2017

At this meeting (11th May 2017):

Jeff Trim (FMSP) will lead a session focused on the new compulsory Mechanics content of A level Mathematics for all awarding organisations from 2017.

This will include an overview of the new overarching themes and how modelling, problem solving and uses of technology can be integrated into the teaching and learning of Mechanics.

If you would like to attend this meeting, please email Denise Holloway to confirm your place: Denise.Holloway@edgbarrowschool.co.uk

**Don't miss our
future meetings**

11th May 2017

6th July 2017

The Edgbarrow School Mathematics Teacher Network is an FMSP-funded project allowing teachers of Maths to meet, to collaborate and to share professional development. We meet once or twice per term and the programme is a mixture of informal sessions and speaker-led training events.

The focus of the meetings is usually around KS5 mathematics although we also consider issues at KS4. All teachers are welcome.
