**Don't miss our  
future meetings**

**Dates & Topics to be  
discussed at the next  
meeting.**

# Redbridge Teachers Network

## Focus on Mechanics in the New A Level

**At this meeting:**

As part of the new A Level, all schools will be expected to teach mechanics and statistics. In this meeting we will focus on some of the mechanics requirements.

**These questions will be considered:**

- Ways in which kinematics at A Level can be linked to GCSE
- Ways in which the problem solving and modelling requirement may be used in mechanics lessons.

**Please bring a laptop with an up to date version of java.**

We will be looking at a java file as part of the network. To get the most out of the session please bring a laptop (not a tablet) with an up to date version of java.

This session is free thanks to funding from the FMSP. Light refreshments will be provided.

**For more information please contact:**
