

Preparing for the new A-Level Writing a Scheme of Work

Tomlinson Centre Hackney

27th March 2017

10.00 – 15.45

Valentines High School

24th April 2017

10.00 – 15.45

Course Leaders:

Francis Bove The Learning Trust Hackney

James Morris Further Maths Support Programme

This is a one-day workshop to help kick-start the process of writing a Scheme of Work for the new A-Level mathematics specifications.

This one day course, run jointly by the Further Mathematics Support Programme, The Learning Trust Hackney and the NE London Maths Hub will provide an opportunity to work together with other teachers to start the process of preparing a Scheme of Work.

Aims

- to introduce teachers to the new specs
- to explore what has changed
- to sketch out the shape of a SOW
- to start work on adding detail to particular topics
- to explore a range of resources and activities that might be helpful

Places are limited so book today.

Not to be missed!

To apply, please visit this link for the [online application form](#)

The cost is £50

You can easily register as a member of FMSP by visiting

<http://www.furthermaths.org.uk/register> but please note: you will still have to complete the [online application form](#) for the course itself.

All enquiries to jamesmorris@furthermaths.org.uk or francisbove@btinternet.com
