

Interesting Ways to teach **Statistics**

Tuesday 11th July, Tower Hamlets College
9.30am – 4:00pm

Course Leaders:

Francis Bove and Jenny Davey from the Further Maths Support Programme

This one day course is aimed at teachers who have taught Statistics at A level before and who are looking for fresh ideas for engaging their students. The day is tailored to the new specification for teaching from September 2017.

This is an activity based day looking at teaching and learning resources and methods which address the statistical content of the new AS Mathematics.

If you have never taught Statistics before, our “Teaching Statistics for the First Time” course at Haydon School on Wednesday 5th July would be more suitable for you.

Booking details:

The fee for this event is **£50** per teacher (£100 per teacher if school/college is not registered with the FMSP. Registration is quick and free at <http://www.furthermaths.org.uk/register>).

To book a place, please complete the online form at <https://goo.gl/ni8FDy>.
