Hertfordshire KS5 Mathematics Networks

Preparing for the new mathematics A levels from 2017 (Session 4)

At this meeting:

Val Pritchard (FMSP) will lead a session looking at what is known so far about the changes to the mathematics A levels and how this will impact on schools.

Content:

- Info from the Smith report about government plans for post-16 mathematics
- Update on released information about A level
- Focus on technology or statistics
 - For technology: a taster of calculators, spreadsheets and graphing software
 - For statistics: an intro to large data sets and the use of technology

Free professional development and the chance to meet other teachers in the area.

These sessions are free thanks to funding from the FMSP.

Light refreshments will be provided.

To book places please complete this form:
