York KS5 Network Meeting

The AQA Specification content and Exam Structure

At this meeting:

Laura Broddle (AQA Maths Advocate) will go through the AQA specification and exam structure for 2017; give time to look through SAM's; answer questions and show the All about Maths website. This could also include Further Maths if there has been progress with its accreditation. We will share suitable resources and websites where resources can be found.

For more information contact:

Jean Smith

The York Mathematics Teacher Network is an FMSP-funded project allowing teachers of Maths to meet, to collaborate and to share professional development. We meet half-termly and the programme is a mixture of informal sessions and speaker-led training events.
