## Statistics in the New A Level

**At this meeting:**

Cath Moore from the FMSP will lead a session looking at Statistics in the new A level Mathematics, focusing on Large Data Sets.

**These questions will be considered:**

- What are large data sets?
- How are they incorporated into assessment?
- How could they be used as a teaching resource?

Computers will be used in this session and Wi-Fi access will be available if you bring your own device.

This session is free thanks to funding from the FMSP.  
Light refreshments will be provided.

**Don't miss our  
future meetings**
