# Little Heath KS5 Mathematics Network

## Update on the new A levels

**At this meeting:**

Jeff Trim (FMSP Area Coordinator) will lead a discussion about developments with the new Mathematics A levels, including an overview of the contents of the newly accredited Further Maths specifications. There will also be a chance to see a new interactive planning tool that works for all exam boards and to hear informal feedback about the Smith review into post-16 Mathematics.

If you will be attending, please email Jane Byrne: [janebyrne@furthermaths.org.uk](mailto:janebyrne@furthermaths.org.uk)

The Little Heath School Mathematics Teacher Network is an FMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. We meet half-termly and the programme is a mixture of informal sessions and speaker-led training events.

**Don't miss our  
future meetings**

10<sup>th</sup> May 2017

21<sup>st</sup> June 2017

The focus of the meetings is usually around KS5 mathematics although we also consider issues at KS4. All teachers are welcome.
