**Don't miss our
future meetings**

**Information will
appear on the FMSP
events for teachers
page about meetings
in the Spring and
Summer terms.**

Kirklees & Wakefield KS5 Mathematics Network

Using Graphical Calculators in the new A Level

At this meeting:

Trevor Lester (a Casio trainer who is a head of maths in Calderdale) will lead a session about using a Casio graphical calculator to teach maths effectively to students, at the same time, meeting some of the technology requirements for the new A level. .

These questions will be considered:

- What can the calculators do?
- How can I incorporate them in my teaching?
- What further CPD is needed?

The session is free thanks to funding from the FMSP. Light refreshments will be provided.

For more information please contact:
