

## The Further Mathematics Support Programme

# Introduction to Further Pure Mathematics

**A one day course to help prepare teachers who will be teaching Further Maths for the first time in September 2017.**

**University of Hertfordshire, Bayfordbury Campus, Hertford SG13 8LD  
Wednesday 12<sup>th</sup> July 2017 9:30am – 3:30pm**

- Update on the new Further Maths qualifications
- Complex numbers
- Matrices
- Roots of polynomials
- Suggestions for using technology
- Finding other resources

**This course is ideal for teachers who currently teach AS/A level mathematics but have little or no experience of teaching further mathematics.**

### **Course aims:**

- To prepare teachers for teaching the new AS Further Maths qualification by building confidence in subject knowledge
- To explore resources, including technology, proof and active learning

### **Course/event fees and application:**

Fees for this course/event are £50

To apply, please complete the online form at: <https://goo.gl/forms/etAep1dl3g25JxWw1>
