

The Further Mathematics Support Programme

Liphook year 10 Mathematics Enrichment Morning

9.30am – 12.30pm Friday 16th June

Bohunt School, Longmoor Road, Liphook, Hants.
GU30 7NY

This event will feature

- **The Creation of Number**
– Ben Sparks (FMSP & Bath University)
- A short talk on
“Why do Maths A-Level”
- **A maths quiz**
– with prizes

This event is suitable for year 10 students who might benefit from studying maths or further maths at A-level.

We anticipate this event will challenge students of any ability, but that middle ability students and above should find the content accessible and stimulating.

Booking details

We hope you will be able to bring up to 16 students that would benefit from this mathematics enrichment event. To book simply fill in the short form at <https://tinyurl.com/FMSPLiphook2017>
