The new 2017 A levels

At this meeting:

The new 2017 A-level specifies that 'the use of technology should permeate the study of A-level mathematics'. In this network meeting, considering the use of the large data set and looking at opportunities to embed the analysis of data through the use of technology into the teaching of A level. Please do feel free to bring along any examples of any favourite technology based activities that you know work well in your own classroom. We will also look at the difference between the current and 2017 specifications to see what is in and what is now out. Teaching the Mechanics topics will also be explored. Please bring along your excellent ideas and knowledge.

Refreshments

This session is free thanks to funding from the FMSP. Light refreshments will be provided. Please do let us know if you intend to join us so we can arrange for catering.
