At this meeting:

Sue de Pomerai (FMSP) will lead a session looking at the compulsory mechanics content of the new A level and considering the themes of problem solving and modelling.

These questions will be considered:

- How can you incorporate practical work and modelling into your teaching?
- What will problem solving in mechanics look like?
- What are the implications for teaching and resourcing?

Don't miss our future KS5 London Network Day

7th July 2017
