At this meeting:

Cath Moore (FMSP) will lead a session with a brief overview of the changes in the statistics content of the new Mathematics A-level and offering strategies for using technology to work with Large Data Sets with your students.

These questions will be considered:

- What are large data sets?
- How are they incorporated into assessment?
- How could they be used as a teaching resource?

Important Information

Teachers are required to bring their own laptops and have Excel and Geogebra installed.
