

The Further Mathematics Support Programme

Unexpected Maths: applications of Mathematics to intrigue and inform

Mathematics Enrichment for Year 8 Students

Friday 10th November 2017

9:30am – 2:30pm

The Lawns Conference Centre

University of Hull

The event is suitable for your more-able year 8 students and will show them some more unusual applications in Mathematics. Students will attend 3 workshop sessions and the final lecture. Workshop sessions will include:

- Sprites, Decisions and Ancient Cultures: The mathematics of number bases
- Maths Magic
- Fun Maths
- Dragon Quiz

The deadline for applications is 27th October 2017
The conference will require a member of staff from each school to help with supervision of students.

Each school will be responsible for transport arrangements for their students.

Photographs may be taken for use in our newsletters so please mention this in your letter to parents.

Students will need to bring their own packed lunch but we are able to provide a buffet lunch for staff

To book online please go to
<https://goo.gl/forms/f1t3A8ZyE3tsnCim2>

If you have any queries please email:
jeansmith@furthermaths.org.uk
There is an initial limit of 10 places per school.
