

Teaching **Mechanics** for the first time

Tuesday 7th November, Tomlinson Centre, London E8 3ND
9.30am – 4:00pm

Course Leaders:

Francis Bove and Jenny Davey from the Further Maths Support Programme

This one day course is aimed at teachers who have never taught Mechanics at A level or who would like to refresh their experience. The day is tailored to the new specification for teaching from September 2017.

The course will focus on the subject knowledge required to teach Mechanics within the new A level and will cover the following topics: **Modelling, Kinematics, Forces** and **Newton's Laws**. The aims are to prepare teachers by sharing useful resources and allowing time for working on these.

Comments from teachers who attended this course in June 2017:

Perfectly matched to the needs of teachers who are new to Mechanics

Lots of excellent resources and ideas

Great broad overview of key concepts in Mechanics

Booking details:

The fee for this event is **£50** per teacher (£100 per teacher if school/college is not registered with the FMSP. Registration is quick and free at <http://www.furthermaths.org.uk/register>).

To book a place, please complete the online form at <https://goo.gl/forms/ji1k3UtEnMmCNZwm1>.
