21st February 2018

14th May 2018

21st June 2018

The Edgbarrow School Mathematics Teacher Network is an FMSP-funded project allowing teachers of Maths to meet, to collaborate and to share professional development. We meet once or twice per term and the programme is a mixture of informal sessions and speaker-led training events.

The focus of the meetings is usually around KS5 mathematics although we also consider issues at KS4. All teachers are welcome.
