## **Core 1 Mathematics Revision**

The links below will take you to a series of recordings of revision sessions covering four topics in the Core 1 Mathematics course.

These recordings have been produced by tutors from the [Further Mathematics Support Programme](#). You are free to distribute these links to other students studying A level Mathematics.

To find out more about the Further Mathematics Support Programme and the support we can offer to Maths students and teachers, go to [www.furthermaths.org.uk](http://www.furthermaths.org.uk).

Topic	Link
Algebra	<a href="#">Core 1 Algebra recording</a>
Curve Sketching	<a href="#">Core 1 Curve sketching recording</a>
Coordinate Geometry	<a href="#">Core 1 Coordinate geometry recording</a>
Polynomials	<a href="#">Core 1 Polynomials recording</a>

Disclaimer: Every effort has gone into ensuring the accuracy of these recordings. However, the Further Mathematics Support Programme can accept no responsibility for the content matching each specification exactly or for any inaccuracy in the presentation.
