

Q: Why do more boys than girls opt for Further Mathematics?

Tell us why you think this is and how it could be changed

Devise a campaign to encourage more girls to opt for Further Mathematics at AS and A level and you could win £100 for you and £100 for your school or college

For further details see:  
[www.furthermaths.org.uk](http://www.furthermaths.org.uk)

Open to all Year 10-13 students in schools and colleges in England

Closing date: 6th November 2009
