

The Further Mathematics Support Programme

Year 11 Challenge Day

Hosted at St Richard's Catholic College, Ashdown Road, Bexhill on sea,
TN40 1SE on Monday 29th January 2018

During the day students will engage in a carousel of Workshops to revise the following topics:

- **Trig – Sine & Cosine Rules** – led by Derek Couzens
- **Surds & Indices** – led by Hazel Santineer
- **Algebra – turning points & quadratics** – led by Su Kler
- **Problem Solving** – led by Alison Terry

Suitable for year 11 students with a target grade of 6 or 7 who will have the opportunity to engage in a variety of interactive revision workshops, to help improve their GCSE grade and promote the further study of mathematics beyond GCSE in a fun and exciting way.
