

Celebrating Women in Maths

Organised by the Further Maths Support Programme and the University of Wolverhampton, this day is aimed at girls (but boys are welcome too) in year 10 & 11 who are potential A level students but who may not be considering Mathematics because of lack of interest or confidence.

The day will include a set of short talks from women in industry, and several hands on workshops for the students to get involved with.

When & Where:

Tuesday 28th November 2017 OR Friday 19th January 2019

University of Wolverhampton, City Campus, **Wolverhampton**

Timing: 9.30am — 3.30pm Cost: FREE

Lunch will be provided for staff but students are asked to bring a packed lunch

Please note, both days have the same content so there is no need to attend both, just pick whichever is more convenient for you.

In order to allow as many schools as possible to attend we are limiting places to 15 students per school.

To book places please follow this [link](#) and for enquires please contact Tamara Nevill (T.Nevill@wlv.ac.uk)
