# Core Maths - a fresh approach to teaching mathematics

An introduction to teaching Core Mathematics

Hosted at Plymouth University

9:45am to 3:45pm

Thursday 1<sup>st</sup> November 2018

This course is suitable for anyone who has started teaching Core Maths this academic year, or for teachers who are interested in finding out more prior to introducing and teaching Core Maths. The course will start at 10:00, with arrival and registration from 09:45 and finish at 15:45.

## Course aims:

- To provide teachers with an opportunity to explore the differences and similarities in teaching and learning between Core Maths and other Maths courses.
- To give teachers time to work on a variety of problems.
- To give information about the different specifications and forms of assessment.
- To look at how Core Maths can be incorporated and developed within their Department.

**Venue: Plymouth University, Drake Circus, Plymouth. PL4 8AA**
