Norfolk Post-16 Mathematics Network

Using Geogebra for the New A Levels in Maths and Further Maths

At this meeting:

Dr Simon Kirby will lead a session looking at how Geogebra can be used to support the teaching of the new A levels in maths and further maths.

In order to participate fully, it would be helpful if you could bring a laptop or tablet with Geogebra Classic 6 downloaded on it.

Free professional development and the chance to meet other teachers in the area.

This session is free thanks to funding from the FMSP. Light refreshments will be provided.

The Norfolk Post-16 Mathematics Teacher Network is an FMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. We meet regularly. The programme is a mixture of informal sessions and speaker-led training events.
