# Central Beds KS5 Mathematics Network

## Teaching Statistics using the Large Data Sets

**At this meeting:**

Kristin Coldwell (FMSP) will lead a session looking at teaching the compulsory statistics in the new A level using each exam board's specified large data set.

**In particular, we will consider:**

- Requirements for assessment
- Opportunities for relevant and engaging teaching
- Use of technology, specifically Geogebra and Excel  
(We intend to use school laptops to facilitate internet access, but please feel free to bring your own device if you wish)

**Free professional development and the chance to meet other teachers in the area.**

This session is free thanks to funding from the FMSP. Light refreshments will be provided.

**To book your place please go to:**

Any queries regarding the booking process please email Teresa Farrow on [sttfarrow@redborne.beds.sch.uk](mailto:sttfarrow@redborne.beds.sch.uk)

The Central Bedfordshire Mathematics Teacher Network is an FMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. We meet regularly. The programme is a mixture of informal sessions and speaker-led training events.
