New A Level Mathematics Network

Focus on Problem Solving

At this meeting:

Christine Watson (University of Worcester) will lead a session looking at problem solving in the New A Level. There will be particular advice on strategies that help students approach problems and a look at some excellent problem solving resources. The session will include suggestions for additional areas to explore to support teachers at A Level and, in the build-up, at GCSE.

This meeting will be an opportunity to network with other teachers in this unique season with the rollout of the new curriculum, whilst receiving specialist advice
