Bradford KS5 Mathematics PD/Network

Supporting Teachers Teaching A-level Mechanics

At this meeting:

Tom Roper (Mechanics Specialist) will lead the session looking at strategies for engaging students in studying mechanics, including some very simple practical activities, what kinds of misconceptions students have, how to find out if your students have them and how they might be addressed. There will also be consideration of progression of mechanics from year 12 through to university level.

More information

This session is free thanks to funding from the FMSP. Light refreshments will be provided from 3:30pm.
