

The Further Maths Support Programme

Year 12 Problem Solving Day

A one-day conference for sixth form students and their teachers developing deeper mathematical problem-solving skills, including sessions on STEP/MAT/AEA.

University of Portsmouth, Lion Gate Building, Lion Terrace, PO1 3HF

9:30am – 4pm Monday 18th June

Workshops during the day will include:

- **Guidance on problem solving**
- **Writing and communicating mathematics**
- **Focus on STEP/AEA/MAT questions**
- **Fun Maths Roadshow**

Aimed at year 12 students to study mathematics or related subjects with a high mathematical content at university; this day will be of particular relevance to those who:

- Are likely to be invited to a selection interview at university
- Are likely to be taking STEP or AEA in 2019
- Are likely to be taking MAT in November 2018

Accompanying teachers will have the opportunity to work on the problems as well!

Booking details

This event is FREE OF CHARGE for groups of up to 10 students plus an accompanying teacher from state funded schools. Independent schools may apply for places, but these will be charged at £100 per school group and will only be available if there is spare capacity at the closing date.

PGCE or GTP trainees may attend the day free of charge if they are accompanying the group from their school or college. Ask for further details of this offer using the email at the bottom of the page.

Online Booking Form: <https://tinyurl.com/PortsmouthPS2018>

Closing date for bookings is Friday 8th June
