

The Further Mathematics Support Programme

# Yr13 STEP Preparation Sessions

**Durham Sixth Form Centre, The Sands, Durham.**

**Mondays 4.15pm to 5.45pm from January 22<sup>nd</sup> 2018 to May 2017**

**These sessions provide support for students who are taking the STEP Mathematics examination in June.**

Each week students will work through questions based around a particular topic and then have to complete work for the next session. Participating students are expected to solve problems, individually or as part of a group. Full solutions will be provided at the end of each session.

These sessions are free to students from state schools and colleges and interested Yr12 students are welcome to attend.

Presenter: Dr Michael Gibson.
