Using technology within the new A Level: Graphing Apps

At this meeting:

This network session will explore how to integrate the use of technology into the teaching of the new A Level Mathematics courses through the use of graphing apps such as GeoGebra and Desmos.

Teachers will need to provide their own device (smartphone, tablet or laptop) with GeoGebra or Desmos installed on it.

- GeoGebra is available free via www.geogebra.org
- Desmos is available free via www.desmos.com
- **Session Leader:** Tom Button, Learning Technologies Specialist, MEI

This session is suitable for all teachers of A level Mathematics. No previous experience of using GeoGebra or Desmos is expected.

This session is free thanks to funding from the FMSP. Light refreshments will be provided.
