*Dates of the future meetings
this year are still to be
confirmed*

*If there are specific topics
that you would like to
consider at these meetings,
please contact me.*

Bridgwater Teachers' Network Meeting

How to use the Underground Mathematics website most effectively in your A level teaching.

At this meeting:

Avril Steele and Tom Rainbow (FMSP) will lead a session looking at using some of the tasks on the Underground Mathematics website.

These questions will be considered:

- What is problem solving?
- What are the implications for teaching, planning, development, resourcing?
- How can we best use the resources to enhance understanding?

This session is free thanks to funding from the FMSP. Light refreshments will be provided.

For more information please contact: Tom Rainbow

Mathematics Teacher Networks are an FMSP-funded project allowing teachers of Mathematics to meet, to collaborate and to share professional development. We meet termly and the programme is a mixture of informal sessions and speaker-led training events. If there is any specific area of mathematics that you would like to be raised at the one of the meetings please get in touch.
