

**Post Title:** Further Mathematics Support Programme Area Coordinator

**Job to commence September 2012**

**Salary:** Soulbury 8 -11

**Location:**

Based in Gateshead but working across North East England

**Contract type:**

0.4 FTE (2 days)

**Contract term:** Fixed Term for 2 years

**Special Conditions:** This post will involve some evening work and spending some time away from the office outside of normal office hours including some weekends.

Heworth Grange School, in association with Gateshead LA and the MEI Further Mathematics Support Programme, seek to appoint a suitably qualified and expert A level mathematics teacher. We require a candidate who has the drive and ambition to promote this successful North-East regional programme. He/she will have a first degree in mathematics or equivalent and extensive successful experience of teaching mathematics at A level.

This new post offers the opportunity to work alongside the existing Area Coordinator in managing the support for schools and colleges in the teaching and learning of A level Mathematics and Further Mathematics across the North East.

**The duties will include**

- organising and/or delivering tuition for students when schools and colleges are unable to provide it directly themselves
- supporting schools and colleges so that they can offer Further Mathematics without the need for FMSP-organised tuition
- arranging support for teachers with STEP and AEA mathematics
- organising activities and events to promote level 3 mathematics to key stage 4 students
- advising schools and colleges on their mathematics provision and organising professional development for teachers.
