

Tower Hamlets College is a leading further education provider in East London. We have 1,600 students at our Sixth Form College and over 6,000 adult students in full or part-time study.

We are currently looking for a:

**Further Maths Area Coordinator (0.5) - Fixed term to 31 March 2012  
(Ref: 2936)**

£21,018 p.a. inclusive of London Weighting

The key role of this post will be to organise and promote the Further Mathematics provision across the London region. The Area Coordinator will be required to organise student tuition, organise and manage revision days, promote mathematics to GCSE students and work closely with schools, colleges and universities to promote and develop the uptake of Further Mathematics across the region.

This post is based in Tower Hamlets College Mathematics department which consists of 14 experienced and enthusiastic staff with a strong record of teaching across all levels from Entry level to Further Mathematics A level.

Applicants are expected to have the following skills and qualities:

- successful experience in teaching Further Mathematics
- fluency with the use of ICT
- good communication skills, both spoken and written
- the ability to inspire confidence in students, teachers, parents, schools and colleges.
- sensitivity towards and respect for the differing needs of schools and colleges
- self motivation and limitless enthusiasm

**Closing date: Friday 6 May 2011**
